

RAISING THE STANDARD

3 Things Every Homeschooler

SERVING HOMESCHOOL FAMILIES SINCE 1989

Parents

Do You Recognize Any Of These Symptoms In Your Child?

- Poor reading comprehension
- Avoids reading—writing
- Poor self esteem
- Confuses or reverses letters—words
- Easily distracted or overactive
- Poor handwriting skills
- Poor enunciation of sounds
- Suffers failure in spelling
- Becomes emotionally upset about school work
- Forgets assignments and tests
- Homework is a frustration, negative experience for both student and parent
- Fails to understand or remember instructions and assignments

Homeschooling a child with learning difficulties can be very challenging.

We Understand.

We have helped 1,000's of homeschool families overcome learning disabilities

We are here to serve you with:

- In-home Test Kits to identify weak learning areas
- Corrective therapy software for convenient home-use
- Complete Homeschool / LD package
- User Friendly Programs
- Certified IEP assistance

Read what homeschool parents are saying about ELI's effective program:

*"I was so concerned about his ability to learn. Now he is more focused than I ever dreamed he could be. **He is learning! He is thinking!** Thanks (Parent, Lois)*

*ELI is the **most effective, fastest working program for LD students** I have ever seen....the results are permanent" (Principal, PA.)*

"ELI accomplished all we wanted it to do and more! Thank you for all your hard work—so many lives are changed as a result!" (Gail)
